

HOW TO MAKE ONLINE PROPERTY TAX PAYMENTS

Paying your property taxes online through your financial institution is fast, easy, and convenient. Here's the step-by-step process.

- Use your folio number as the account number. Insert zeros to complete the beginning of the number if necessary. Most online banking programs will not accept the period character that separates the first 5 digits from the last 3. If yours won't accept the character, simply omit it.

- Once the City of Campbell River is set up as a payee, select the "Pay Bills" option provided by your financial institution and make a payment on your tax account.

- The confirmation number/code issued by your financial institution serves as your confirmation that payment will be made per your request. No receipt will be issued by the City of Campbell River for online payments.

If you haven't claimed your Home Owner Grant, you may do so online at the City of Campbell River website. Visit www.campbellriver.ca and click on *Payments* then *Home Owner Grant Application*. You will need your folio number and access code from your property tax notice. **Completed Home Owner Grant applications must be received at City Hall (or completed online) by July 3, 2018 to avoid penalty.**

Please note: If a payment is rejected by your financial institution it will be subject to penalty. If payment is made after your financial institution's local cut off time on July 3, 2018, these payments will be processed with a payment date on the next business day and will be subject to penalty.
