

# PROGRAM DESCRIPTIONS

## Fitness Classes

### Intensity Level Legend

**Level 1:** Beginner / Low Intensity

**Level 2:** Intermediate / Medium Intensity

**Level 3:** Advanced / High Intensity

---

### Balance, Core and Stretch | Intensity Level: 1-2

Improve your posture and increase your stability with this challenging, balance-focused core class. Balance, Core and Stretch is a gentle, low-impact session for all fitness levels.

### Boot Camp | Intensity Level: 3

Be ready for anything in this high-intensity, early-morning kick-butt class! Incredible instructors will help you improve your cardiovascular endurance and overall strength.

### Cardio, Core and More | Intensity Level: 1-3

Check out the new and improved Total Body Fit. Get ready for lots of movement and fun music in this cardio-focused class.

### Cardio Fit | Intensity Level: 2

Cardio Fit is a new fitness class focusing on cardio while still working your muscles. You'll never have the same class twice.

### Chair Yoga | Intensity Level: 1

Increase the length and strength of your muscle fibres, reconnect with your breath, and relax with meditation; all from the comfort of a chair. \*Participants must be able to move independently.

### Figure 8 | Intensity Level: 1-3

Do you love choreographed dance? Then Figure 8 is the class for you! Develop muscular strength, stability, coordination and core strength through basic dance moves.

### Fit for Life | Intensity Level: 1-2

Fit for Life helps get your steps in by leading you through an obstacle course. Increase your independence and improve your sense of well-being as you walk, step, and maneuver your way around equipment.

### Fit and Social | Intensity Level: 1

This class is suitable for those who are just starting out or have medical considerations that limit full participation in exercise classes.

The class can be done seated or standing. After class, stay for social time with coffee and tea.

### Gentle Yoga | Intensity Level: 1

Gentle yoga was designed with healing in mind. Participants will be lead through a relaxed yoga practice focused on mindful movement and breathwork.

### Kettle and Spin | Intensity Level: 2-3

Get ready to build lean muscle, learn proper lifting technique and get sweaty in this innovative kettlebell class. Finish the class with a 30 minute bonus cardio pump on the spin bike.

### Let's Go! | Intensity Level: 2

Start your week off strong with the Let's Go! circuit class; a high-energy cardio and strength workout.

### Power Hour | Intensity Level: 2-3

Skip the weight room and get it all done in class. Power Hour is a workout designed to strengthen and train your muscles.

### Pump it Up! | Intensity Level: 2

Pump it Up is a full-body workout using weights, bars, resistance bands, medicine balls, and body weight exercises to create compound and isolation exercises to get you lean, toned, and fit.

### Spin 45 | Intensity Level: 2-3

Spin 45 is a challenging, high-intensity class focused on endurance, strength, and recovery intervals. You will improve your fitness while protecting and strengthening your joints.

### Spin 60 | Intensity Level: 3

In this spin class you can expect challenging, high-intensity training focused on endurance, strength, and recovery intervals.

### Spin and Core | Intensity Level: 2-3

This is a high-intensity spin workout that will get you in shape, followed by some concentrated core work and a well needed stretch.

### Spin and Strength | Intensity Level: 2-3

Complete High Intensity Interval Training (HIIT) on the spin bike, and then hop off and get your strength training done with weights or body weight.

### Spin and Stretch | Intensity Level: 2

30 minutes of interval spin training followed by a full body extended stretch for those hard working muscles on and off the bike.

### Sportfit | Intensity Level: 2-3

Sportfit is the longest-running fitness class offered by the City, entering its 41st year. Join us for this jogging-based class for the sport/athletics enthusiast.

### Step 'n Sculpt | Intensity Level: 2

Join us for simple choreography on the stepper with strength intervals. Step and Sculpt will get you working hard with low-intensity, fun moves.

### Tabata | Intensity Level: 2-3

Tabata is a type of HIIT workout that aims to yield the most benefits in a short amount of time. Get your heart rate up, work on your strength and get a great full-body workout.

### Yoga | Intensity Level: 1

Yoga is a mind and body practice combining physical postures, breathing techniques and meditation. Reduce stress and anxiety and improve flexibility to enhance your overall well-being.

### Zumba | Intensity Level: 2

Get ready to whoop and holler while shaking it to fun tunes! Dance off those calories with a mix of low and high-intensity moves.
