

GREENWAYS LOOP

28 KM OF FRESH CAMPBELL RIVER AIR #GREENWAYSLOOP

GREENWAYS LOOP

Visitors and locals are invited to cycle, walk, and/or roll around The Greenways Loop – a 28km, wheelchair accessible, recreational trail linking Campbell River's Forests, River, Ocean, and Greenways (FROG).

The Loop's vision, design, construction, and maintenance include time, money, and resources from countless volunteers and organizations – symbolizing an abundance of our community connections. Almost every Campbell River resident lives within 5 km of The Loop!
