

SERVE YOUR COMMUNITY ON THE BOARD OF VARIANCE

The City of Campbell River is looking for two appointments, for a term ending **March 31, 2026**.

The Board of Variance considers minor variances to the City's Zoning Bylaw. No specific knowledge or qualifications are necessary. If you have an interest in governance and land use regulations, this may be the position for you.

Appeals to the Board are generally made by homeowners or developers when compliance with a minor aspect of a Zoning Bylaw (such as a side yard setback) would cause "hardship" to the applicant. The Board will consider whether the application is "minor" and whether "hardship" is evident and will either deny or approve an application.

The Board hears representations from an applicant and/or their neighbours before making a decision. City staff provide administrative and technical support.

Members must be available to meet during working hours with at least 10 days' notice. The Board meets for approximately an hour when applications are received, typically 3 to 5 times a year.

Applications must be received by 4:30 p.m. on May 18, 2023.
