***Spirit Square On the Move* for live music concerts in residential neighbourhoods this summer**

Interested in having live music in your neighbourhood this summer? Campbell River's popular downtown concert series is going on the road to bring physically-distanced concerts to different neighbourhoods.

Four concerts will take place at locations randomly selected by a draw entered by individual households. *Spirit Square On the Move* will be available to all homes in the immediate area of the winning residence.

"Spirit Square on the Move is designed to be a safe way to connect neighbourhoods to live music, and a way for people to continue to connect through their love of music," says Karen Chappell, a recreation programmer with the City of Campbell River. *"These street-based concerts will allow people to listen at a safe distance from their front yards, on patios, porches or decks, while participating in a family-friendly, community-based event with their immediate neighbours."*

Concerts will play between 4 and 7 p.m. July 9 and 18 and August 6 and 15.

The City's Recreation and Culture Department will close the local street and fully manage each live music event.

"Many people have been inside their homes and condo buildings for more than three months now, and this concert series is wonderful opportunity to bring a little bit of excitement to our neighbourhoods, while also maintaining Campbell River's commitment to providing a safely-distanced space for people to comfortably connect," says Mayor Andy Adams. *"We look forward to helping people re-connect by offering live music throughout Campbell River, possibly even in places that have never held a community event before."*

Send questions and enter the draw for a *Spirit Square On the Move* concert by e-mailing your address, contact information, and preferred concert date to recreation programmer Karen Chappell at Karen.Chappell@campbellriver.ca prior to July 3. Limit of one entry per household.
